Principal’s Report

Welcome back to Term 3. We have a busy term planned with lots of exciting things happening on the school calendar. This term we will be involved in the Science Expo which is a wonderful opportunity for our senior students to demonstrate their leadership skills by leading and teaching students from the Toongabbie Learning Community.

Due to the cold, rainy weather we have had to postpone our School Athletics Carnival. The new day scheduled will be **Week 3, Tuesday 29th July at 10:00am**. We do apologise for the inconvenience but are considering the safety and comfort of our students and visitors. Thank you to the families who made cakes for the Athletics Carnival. Any cakes brought in for morning tea will be kept fresh and will be available on the day.

A Parent/Community Meeting will be held in the Library on **Week 3, Friday 1st August at 11am**. All parents are welcome and it would be fantastic to see as many faces as possible. This meeting will provide an opportunity to follow up on some parental concerns raised last term and for the school community to be involved in some joint decision making regarding the future direction of the school and the education and welfare of your children. During the meeting **Vivienne Branch** will present some information about Positive Behaviour for Learning and **Jeanette James** will conduct a workshop on social media for the parents to introduce you to the new Toongabbie East Public School Facebook page and Twitter account. Tea, coffee and refreshments will be provided.

Students participated in Clean Up Australia Day on Wednesday 23rd July and did a fantastic job of cleaning our school grounds and some of the local area along the creek. Well done on making our environment a clean one.

**Ms Vicky Wallace**
Relieving Principal
This is the result of our Clean Up Australia Day forage around the school grounds on Wednesday.

We have implemented a weekly individual writing program for some of our students.
